

INTRODUCING NEW COLOURS

# EARTH

BEET, MOSS, CHESTNUT BROWN & SKY

  
glerups  
Our passion is felt

# BEET

Strong, powerful and balanced. This new Beet colour goes perfectly with our natural and earthy colour range.

## Size Range

MODEL	EU Sizes
Slip-on	35 - 43
Boot	35 - 43

# MOSS

Light, cool and sleek. This new Moss colour has a fresh and natural vibe.  
Just beautiful.

## Size Range

MODEL	EU Sizes
Slip-on	35 - 51
Boot	35 - 47

# CHESTNUT BROWN

A strong classic that deserves yet another spin with its natural beauty.  
Don't miss the models with natural rubber sole.

## Size Range

MODEL	EU Sizes
Slip-on	35 - 51
Shoe	35 - 51
Boot	35 - 47

# SKY

A clean and fresh addition to our blue tones. Sky is the fresh breath of air and calm eye candy. The pastels are back and this Sky is gorgeous.

## Size Range

MODEL	EU Sizes
Slip-on	35 - 51
Boot	35 - 47

## OUR NATURAL EARTH COLOURS ARE MAGICAL

Our color range consists of beautiful Scandinavian and natural hues. We introduce new colors when the time is right, ensuring that your favorite glerups shade is available for years to come - while always leaving room to expand your collection. With our own colour lab we have created a space where there is more room for playing with the colours, shades and natural tones.
